

From the Commodore's Bridge

A hoy Corinthians! There is a loud buzz in the air, and it is the growing excitement and anticipation as our 110th Celebration draws near. Although there was no suggestion of attire to be worn at the dinner, a collared shirt is suggested. I may add that I ordered more of the 110th Anniversary polo shirts.

Thanks to John Wittman for volunteering to be CYC Treasurer for 2014. John is a neighbor of one of the partners of the CPA firm that handles our finances. The job of Vice Commodore is still open.

Welcome to our newest members, Tim and Noreen Farrell. We hope you will enjoy your Corinthian membership.

The B Dock siding has been replaced and looks good. D & S Home Improvement, which submitted a lower bid than the Amish, honored their April quote. The job was complete in a week.

I have reviewed the club house renovation quotes and D & S Home Improvement of Lexington Park submitted the lowest of the three bids. The firm is licensed, bonded and insured. At this time I would like to review the funding of the project. At the next meeting I will provide a list of the improvements to be included in this project.

The D & S quote was in two parts: fifty-five double hung Energy Efficient windows (\$20,350) and replacement of original siding (\$16,335) for a total of \$36,685. Since this April quote was received the prices have gone up for an adjusted total of \$38,661. The Heritage Account has more than enough money to cover the expense because the insurance money

from Hurricane Sandy was deposited in this account. As you recall, we received membership approval for 10K from the Trust Fund to be used, if needed (as a precautionary measure). I thank the membership for approving the use of Trust Funds.

Looking forward to seeing you on the docks and at our 110th Celebration.

Around the Grounds

The B Dock siding looks great, a real improvement.

Geoff Baumann replanted a new rosebush and added bags of fertilizer to the soil since we are having problems keeping plants alive on the right side of the garden. Paula added a Liriope border to the garden last weekend and a big thanks to Jim Quince who helped by watering the new plants. Several other plants will be replaced with the intent of sprucing up the grounds, in preparation for the 110th Anniversary celebration.

Ray replaced 2 water heater elements in the men's room bathhouse near E dock.

Our septic system is alarming out, this is the second time the Company has been on site, last time they cleaned the filtering system and had to repeat the same process. Ray will be cleaning the filters every 3 months as a preventive measure.

The pool is officially closed, although we left some furniture out, for possible use at the oyster roast.

Geoff move the empty trailers from the septic drain field over to an area next to the dinghy rack.

Geoff donated a nice Stainless Steel and glass enclosed bulletin board which will be mounted on the north side of the main bathhouse. I would like to move one of the small bulletin boards over to the E dock bathrooms.

The railing by the sun room steps will be replaced as soon as the rain stops.

CYC Events

A total of sixty-two adults and children attended the October “Men of Fire” dinner and auction. The dinner was amazing, and all of the food was delicious! Many thanks go to Geoff Baumann and Paul Altman for preparing the prime rib. The prime rib was very tender and was served with green beans and ham, baked potatoes with all the fixings, and salad and rolls. The membership did an awesome job preparing a large variety of Appetizers and Desserts. Thanks to all of you that brought an item to share.

We had a mix of weather on Saturday but overall it was a pretty decent day at the Club. Geoff Baumann and Paul Altman erected a 10 x 10 party tent which

blocked the wind and the occasional rain sprinkles. Preparation started early, Geoff and Paul stuffed the roasts with garlic, seasoned it and tied it to the spits. Edith Deming had the green beans and ham ready to be cooked before the membership meeting. Edith and Phil Deming, Christy Mallory, Don and Ann Foster helped with setting up the Bean Room and Serving Station in the sunroom. Geoff and Paul started the grills around 3:30. Dick Houchen worked with Geoff and Paul at the carving station. A big thanks goes out to Don Austring, who showed up with supplies, helped when needed, and departed after the auction started with the coveted Rum Cake and a bottle of Rum.

Paula Hajos set up the bar and Jim Tapp and Zach Mears were our bartenders. Everyone had lots of fun with the auction, Chuck O’Brien, was a funny and congenial auctioneer. The items that were auctioned included: Hockey Shirts, Case of Wine, Five Guys Mini Refrigerators, Stained Glass Window, Collapsible Bicycles, Fishing Trip for 6. The bottom line for this fun auction: Chuck O’Brien raised over \$3,000.00 to be put toward CYC repairs. Thanks - to all who donated and all who bid - for making this such a successful auction!!

After the dinner, there was dancing, the entertainment was provided by the Wanderer’s. Thanks to those who stayed up late to dance. The band provided a large selection of music, including country and that good old time Rock-n-Roll. The cleanup was provided by Gage Mallory and Tristen Weis. The 50/50 winner was Candy Parker, Cathy Schrader’s sister, who was visiting with us from Dunkirk, New York. Special thanks to Brian Winsor and Mary, Marilyn and David Fidler, who are soon to be new members, who lent a helping hand when needed. The Lodge Creek Yacht Club had planned on attending this event, but the rain, high tide and 30 mph gusts of wind cancelled their cruise – we hope they can join us next time.

Upcoming 110th Anniversary Celebration update:

Don’t forget to come celebrate 110 Years of Corinthian Yacht Club! Please **RSVP by October 21st** and indicate what part or parts of the event you will be attending (lunch/ dinner/ All Day). We want to

insure we have enough provisions for all attending! Please RSVP to the E-Invite even if you have RSVP'd through email, phone, or mail so everyone can see who is attending! Also, if you are bringing guests, please include their names so a nametag can be prepared for them! Looking forward to a wonderful celebration!

As a reminder, members are asked to bring a dessert to share at the dinner. We are also looking for volunteers for the check-in tables at lunch and dinner, lunch bar, cocktail hour bar, and dinner bar. If you are interested, please contact Michael Brandhagen (703-858-4298).

Cruising Schedule

Our official CYC cruise to the Tides was the last weekend in September. Four boats and four cars made the trip to Irvington, Virginia. The seafarers included the Kaufmanns and Rylands, the Demings, the Cipriottis and the Niebuhrs. The land cruisers were the Fosters, the Derringtons, the Johnsons and the Bergers.

Friday evening started off with a Pier Party Potluck of heavy hors d'oeuvres which included meats, cheeses, fruit, crackers and dip and lots of shrimp. Don and Ann Foster spent many hours organizing the event, contacting members and preparing food.

Saturday people explored the area by bicycle and foot. That evening, nineteen people shared cocktails on the docks, followed by dinner at the Tides Restaurant. It was good to see Bud and Ann Johnson and Bill and Donna Berger again.

Membership

The Board voted in Tim and Noreen Farrell, they live in St. Paul, MN, but their son recently moved to D.C., so they plan on using CYC as their home port, and cruise the Chesapeake. The Farrell's have a Mainship Trawler, Accyone which is docked on A Dock.

The membership approved the resignation from Jeff and Coleen Smith. Jeff's business has been severely affected by the government shutdown. The Smith's plan on rejoining as soon as their budget will allow.

We received a nice note from former member and past secretary, Mary Eckart. She sent an email to Dolores and asked Dolores to share her note with the membership. The email is posted in the hallway by the den.

Treasurer's Report

Our cash flow has been healthy; see attached balances of our funds as of 18 October.

| | |
|-----------------------|------|
| Operating Account | \$NN |
| Heritage Fund | \$NN |
| Entertainment Account | \$NN |

Our operating account is doing well and ahead of expenditures this year based on increased revenues from new members and decrease in payroll. We recently invoiced dues/fees in the amount of \$NN. To date, \$NN has been received from 51 of our 81 paying members. The Heritage Fund has increased with the \$NN in donations for 23 sponsored windows. The Operating Account balance includes the payments already paid in the amount of \$NN for payment of the new B-dock gabled ends as well as nearly \$NN in property taxes and \$NN for this quarter's insurance payments.

The \$NN in auction proceeds are deposited to the Operating Account. Thanks to everyone who donated and bid on items to help keep CYC financially healthy.

Thank you all for the early and prompt payments this quarter as I'll be off boating most of November. Yay! I'll be back on 25 November so if you have any questions, I appreciate your patience until I return as internet connectivity will be spotty or unavailable while I'm gone.

If you ever have any questions regarding your invoices please contact me directly at krogen42@gmail.com or my cell at 301-481-6669 or come visit me on C-dock. Have a wonderful and safe boating season.

Fiscally yours, Chuck O'Brien, Treasurer

Slip Assignments

B Dock Facelift: Facelift complete; wrinkles ironed out; skin brightened. The contractor did a nice job. Come down and check it out.

WINTERIZATION: While preparing your vessel for winter layup, please remove old antifreeze, fuel, and lube oil from CYC property. Use of electric heaters is not a substitute for proper winterization. BOAT US reports numerous boat losses due to electric heaters that can burn an entire marina down. A storm caused power outage can cause a freeze-up and subsequent sinking.

SLIP ASSIGNMENTS: The board approved the following slip assignments:

Members Don and Gloria Austring request for Slip A-16.
