

Active and Community Membership Descriptions and Comparison

COMMUNITY MEMBERSHIP

Community Membership is a family membership and provides limited privileges of Corinthian Yacht Club, including access to the swimming pool, the ability to attend club events and activities, the right to serve on committees, but does not provide the right to vote, hold office or accrue seniority. Community members have no permanent dock related privileges and are not eligible to lease cottages. They may use a boat slip for a few days at the full transient rate. Kayaks and Canoes can be launched via the boat ramp. Community members must abide by all of the by-laws, rules and regulations of the Club.

The Community Membership fee is \$700 annually, to be billed in two payments each year (\$350 each), via invoice. There is a one-year minimum. The fee may be adjusted by the Board of Trustees as necessary. A one-time \$25 Application fee will be charged to handle administrative costs. The maximum number of Community Memberships will be limited to 30 at any one time, unless the membership agrees to increase the limit.

ACTIVE MEMBERSHIP

Active Membership is a family membership and provides full privileges of Corinthian Yacht Club, including access to the swimming pool, the ability to attend club events and activities, the right to serve on committees, vote, and serve on the Board of Trustees. There is one vote per family. As an active member, a seniority number is assigned. Slip access and docks are available for Active members, as well as land slips and the boat ramp. Active members can also reserve Cottage 5 and are eligible for other cottages as they become available, based on seniority. Active members must abide by all of the by-laws, rules and regulations of the Club.

The Active Membership dues are \$1,000 annually, billed quarterly, plus any fees assigned by the Board of Trustees. If an Active member also has a slip, there is a separate fee for the slip as well as electricity. All dues and fees are billed quarterly.
